Dear Sir:

I received a letter from you dated Mar. 2, 1965 thanking me for some "hate" material I received. Now I have received some more. The source does not seem to be the same.

Frankly these communications make me ill & I do wish some way I could be stricken from their lists. If not, I suppose with no reply they may just figure I cost too much.

postage. Meanwhile I shall send
them on to you because I feel you
have to know where each group;

Thank you very much.

ORGANIZATIONAL STRUCTURE

(A) Headquarters

On April 9, 1965, Birmingham Confidential Informant T-1 advised that the National Headquarters of the NSRP is located at 1865 Bessemer Road, in Birmingham, Alabama.

(B) Charter Information

On November 26, 1957, Birmingham Confidential Informant T-2 advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, Birmingham Confidential Informant T-3 advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

BH 105-477

Issue No. 60, dated July-August, 1964, reflects the mailing address of the NSRP is still Post Office Box 783, Birmingham, Alabama.

On [redacted], T-1 advised that [redacted]

(C) Objectives

By letter dated December 1, 1963, at West Fork, Arkansas, [redacted] advised the Little Rock Office of the FBI that she deplored the tragedy of the assassination of President KENNEDY, but objected to the "slant" of news media in soft-pedaling the Communist connections of OSWALD. She also took exception to the inference given by news media that the "right-wing" was involved. She enclosed a one page document which she stated contained what the NSRP stood for. This information is set out below:

"Dear Patriot:

"We of the National States Rights Party believe in the Christian heritage of our people, the White Race and the Nation which the White Man created out of the wilderness of this continent. We believe in the principles laid down by our forefathers in the United States Constitution and in the Bill of Rights contained therein. We believe in preserving the Race of our forefathers which built civilizations out of jungles and which gave art, culture, inventions, freedom and justice to the entire world.

"We will not allow the blood of our people to be polluted with that of black, yellow or mongrel peoples. We know that only the pure White race can preserve America and the freedom handed down to us by our ancestors.

BH 105-477

"All that is patriotic, good, clean, and decent springs forth from the foundations of our White folk. These high standards of living do not, and cannot, exist in the non-White backward areas of the world, except where the White man maintains a foothold of control.

"Therefore, we dedicate our lives and fortunes to the expansion and goals of the National States Rights Party. We feel that only through a political movement can we unite our people and bring the government back into the hands of the White Christian majority.

"We dedicate ourselves to the task of saving America and the White Race and the preservation of the pure blood of our forefathers, so that all future generations which come after us will be born as White children with a creative intelligence that will strengthen our civilized influence over the world for the good of all mankind. Therefore, we join together for these honorable purposes as outlined in our Constitution and By-Laws of the National States Rights Party.

"We struggle for --- Race, Nation, Faith!

**"PREAMBLE to Constitution and By-Laws
NATIONAL STATES RIGHTS PARTY"**

In [redacted] Birmingham Confidential Informant T-4 advised that [redacted] was then the [redacted] NSRP.

On [redacted] Birmingham Confidential Informant T-5 made available a copy of the "Platform of the National States Rights Party," [redacted]

[redacted] The platform reads as follows:

b6
b7C
b7D

"RACIAL POLICY

- "1. We believe in the creation of a wholesome White Folk Community, with a deep spiritual consciousness of a common past and a determination to share a common future.
- "2. We favor complete separation of all non-Whites and dissatisfied racial minorities from our White Folk Community.
- "3. We demand that intermarriage between Whites and non-Whites be outlawed, in all states not already having such restrictions.
- "4. We demand that total segregation be maintained in the nation's schools, and that only members of the White Folk Community be allowed to engage in the educational and cultural activities of our White society.
- "5. We believe that segregation should be restored in the nation's armed forces, to rebuild morals and fighting efficiency.
- "6. We believe it better that only members of our White Folk Community be allowed to take part in the affairs of government or serve in the courts.
- "7. We demand a policy of non-interference in the cultural affairs of other races.
- "8. We favor creation of a National Repatriation Commission, to encourage the voluntary resettlement of Negroes in their African homeland, with fullest financial and economic assistance toward that end.
- "9. We approve the removal of all alien minorities, dissatisfied with our American way of life and the republic for which we stand.
- "10. We favor the preservation of Indian national life in America, and the unlimited development of reservation facilities.

BH 105-477

- "11. We believe that immigration should be restricted to select White individuals.
- "12. We demand the impeachment or removal from office otherwise of any public official who advocates race-mixing or mongrelization.

"ECONOMIC POLICY

- "1. We believe that the workers, farmers, businessmen and professional people of our nation should work together as a team placing the greater good of our White Folk Community above any individual or group interest.
- "2. We approve of labor unions, run by honest White men and free of subversive influence.
- "3. We believe that the farmer should get a fair price for his produce in a free market.
- "4. We believe that the government should refrain from competing with private enterprise, and from interfering in the hiring policies of private business.
- "5. We demand that Congress alone exercise its constitutional right to issue debt- and interest-free currency, based on the production of goods and rendition of services in America.
- "6. We favor protection of the White American producer by limiting foreign trade to the direct exchange of surplus products.
- "7. We believe that the purchasing power of the consumer should be raised proportionately, as science increases the power to produce.
- "8. We demand that the confiscatory taxation policies of the federal government be ended immediately.

"SOCIAL POLICY

- "1. We favor combined civic effort in every individual state to eliminate slum, flood and dust-bowl conditions.
- "2. We favor creation of proper outlets for the White Youth of our nation, to encourage the development of mind and muscle, and provide for instruction in the highest racial ideals.
- "3. We demand the complete reorganization of our educational system, so that every individual White citizen is afforded full opportunity to realize his vocational ambitions.
- "4. We demand the elimination of all ideology and influences from the movies, television, radio, newspapers and all other phases of our national life, which tend to cause the degeneration and disintegration of our White Folk Community.
- "5. We demand the creation of a clean and honest White government, which will provide the basis for a sound economy, with full employment and improved living conditions for White citizens of every age.

"STATES' RIGHTS POLICY

- "1. We demand that the federal government cease interfering with the sovereign rights of the states, as guaranteed by the Constitution.
- "2. We demand that the federal government stop issuing judicial decrees which violate state sovereignty.
- "3. We demand that the federal government stop fostering thought-control, and refrain from violating the traditional social customs of the individual states.
- "4. We demand the removal of all federal control over the national guard units and law enforcement agencies of the states.

- "5. We demand that all states exercise their authority to stop the secret-police tactics employed against them by the federal government.
- "6. We demand that the states uphold their right to investigate, prosecute, and obtain conviction of subversives within their borders.

"FOREIGN POLICY

- "1. We approve the strengthening of cultural and moral ties among all White nations, in view of the world-wide survival crisis which the White man faces.
- "2. We demand that White Christian boys never again be sent to fight and die on foreign soil to appease the interests of an alien minority.
- "3. We demand that all financial and moral support to the State of Israel cease, as a basis for the rebuilding of Arab-American friendship.
- "4. We demand an end to the policy of foreign giveaways.
- "5. We oppose any international entanglement whereby this republic would tend to lose its sovereignty and freedom.

"WHITE MEN UNITE!"

* * * * *

The October 1958 issue of "The Thunderbolt" attached a copy of the "States' Rights Manifesto" adopted by the NSRP in convention, August 30, 1958. The Manifesto reads as follows:

"We hereby manifest that the Supreme Court has no jurisdiction over the public schools of the Sovereign States and therefore its infamous opinion that they should be integrated is null and void.

"Whereas the 14th Amendment (upon which said decision was based) was never legally ratified by the States, and therefore does not legally exist, - therefore cannot be enforced upon the people by the tyrannical courts.

"Whereas Eisenhower has signed into law a Civil Rights Bill which in part repeals his right to use troops in Civil Rights disputes, and since only Congress has the power to make law and provide for its enforcement, it is therefore illegal for said court to make law, and for the President to try and enforce it with bayonets.

"Be it therefore resolved and made known that -

- 1) All States Righters, in accordance with Amendment two of the U. S. Constitution, That ' - the right of the people to keep and bare arms shall not be infringed.' should therefore arm themselves so that they will be able to defend their families, homes and rights from political despots who are inciting violence on our once peaceful communities.
- 2) That all citizens form committees of Public Safety, or support the Citizens National Law Enforcement Commission, to prevent any Federal Judge, Federal Marshal, or other appointed agent from disrupting the peace of any community, or breaking any state laws, by following the communist directive to mix the races, and bring on public anarchy.

"BE IT THEREFORE RESOLVED, that the States nullify said illegal decisions, and that Committees of Public Safety, or the Citizens National Law Enforcement Commission, make citizens arrests of all those who seek to illegally overthrow the Rights of the States.

This is in accordance with the U.S. Constitution, the grounds being that these subvertors have committed high treason by 'Giving aid and comfort to the enemy,' by helping the communists mix the races, and that they are inciting riots, disturbing the peace and guilty of disorderly conduct.

BH 105-477

"All these charges should be brought by citizens, who themselves, can make the arrests, and book said criminals in accordance with provisions in the U. S. Constitution.

"VIGILANCE IS THE PRICE OF LIBERTY -
STOP SUPREME COURT TREASON - ARREST THE TRAITORS - JOIN NSRP"

On August 25, 1959, T-5 advised that the Citizens National Law Enforcement Commission is an organization created by MILLARD GRUBBS, and appeared to be strictly a paper organization.

MILLARD DEE GRUBBS, 1427 South 6th Street, Louisville, Kentucky, has advised Agents of the Louisville Office of the FBI that he is Chairman of the Citizens Councils of Kentucky, Inc.

The November, 1958, issue of "The Thunderbolt" contained a copy of a press release, October 17, 1958, reportedly by EDNA COWAN, National Vice Chairman of the NSRP, claiming the NSRP "is opposed to violence of any kind. We condemn recent bombings of schools and synagogues." The release also maintained the innocence of CHESTER GRIFFIN, GEORGE BRIGHT, and WALLACE ALLEN, who were then held in Atlanta, Georgia, in connection with the bombing of a Jewish synagogue there on October 12, 1958. This issue also states that this press release was given to both United Press and Associated Press, but both services "refused to send it out on orders from someone higher up. In other words, the Jews can make any charge they please against our people and we are not supposed to defend ourselves."

(D) National and State Officers

On November 30, 1964, Birmingham Confidential Informant T-6 advised that the following persons were elected as National Officers of the NSRP, for a four year period, at the Annual Convention, held at the Admiral Semmes Hotel, in Mobile, Alabama, on November 28, 1964:

BH 105-477

NED DUPES - National Chairman.

R. D. ELDRIDGE - National Vice-Chairman.

BERNICE SETTLES - National Secretary.

CARL RIDOUT - National Treasurer.

EDWARD R. FIELDS - National Director.

The April, 1965, issue of "The Thunderbolt," Issue No. 66, reflects Dr. EDWARD R. FIELDS is the Editor of "The Thunderbolt."

"The March, 1965, issue of "The Thunderbolt", Issue No. 65, reflects Dr. EDWARD R. FIELDS is National Director of the NSRP.

On August 14, 1964, Birmingham Confidential Informant T-1 made available a one-page leaflet, captioned "Important Notice!" This leaflet reads as follows:

"To all N.S.R.P. Members and Supporters. Two former members of NATIONAL STATES RIGHTS PARTY have formed their own group and are calling it the American States Rights Party. They also have copied our symbol the Thunderbolt, as well as our name. We want it thoroughly understood that there is absolutely NO connection between the two names. All splinter groups which have ever left the N.S.R.P. in the past have failed. Operating from a post office box, also in Birmingham, this rump group of about 5 people will spread confusion and disunity by their plagiarizing our name and symbol. All loyal NATIONAL STATES RIGHTS PARTY people should ignore these disruptors and continue backing "America's Largest Third Party," the NATIONAL STATES RIGHTS PARTY. Dont let their slightly changed name fool you - continue, as before, to send all memberships, subscriptions, orders, and contributions to P. O. BOX 783, BIRMINGHAM, ALA. Do not be confused, we are the ONE and ONLY ---

NATIONAL STATES RIGHTS PARTY

P. O. Box 783

Birmingham, Alabama

"Ned Dupes, National Chairman

"Dr. Edward R. Fields, Information Director"

On October 21, 1964, Birmingham Confidential Informant T-21 advised as follows:

BH 105-477

A public meeting sponsored by National States Rights Party was held at Anniston, Alabama, on the night of October 20, 1964, which lasted approximately two hours. It was announced meetings would be held at the same location on the nights of October 21 through 24, 1964. The audience, consisting of occupants of approximately 25 vehicles, remained in their cars because of the cold weather. Numerous teenagers and grammar school children moved around the parked cars.

During the meeting there were three speakers. The first speaker was [redacted] who denounced the local Anniston Human Relations Council, a bi-racial group, claiming Anniston had sold out to the Negroes and was controlled by the Jews and white Negroes.

b6
b7C

The second speaker was J. B. STONER, Attorney from Atlanta, Georgia, who claimed to be an NSRP leader. STONER's speech implied hate toward the Negro. Degrading remarks about the mental ability of the Negro were made and he claimed "the only good ones were dead ones." STONER said the only way to respond to Negro demonstrations was for an equal number of white people to also demonstrate in a like manner in the immediate vicinity, using banners and signs advocating segregation. STONER strongly denounced the Federal Bureau of Investigation. STONER also recommended that any employer currently employing Negroes should immediately fire the Negroes and replace them with white employees.

The third speaker was [redacted] who summarized remarks previously made by [redacted] and STONER. [redacted] also pointed out the fact the new Civil Rights Act of 1964 was directly in violation of the Constitution.

b6
b7C

[redacted] also appeared to possess the ability to thoroughly arouse an audience into possible mob action in the manner of his speaking.

The audience did not appear to respond by other than slightly scattered applause.

Membership to NSRP at \$5. per member, which included subscription to twelve copies of "The Thunderbolt," was offered to the audience. Only three persons were observed to respond to this offer of membership.

No violence was suggested by the speakers and primarily the crowd consisted of persons over middle age and curiosity seeking teenagers.

BH 105=477

On [redacted] BH T-6 advised that the Annual Convention of the NSRP had been held in [redacted]

b6
b7C
b7D

[redacted] BH T-6 stated that this convention was almost a "complete flop", as there were only approximately thirty members present at this convention.

BH T-6 advised that [redacted] opened the meeting with an introduction of [redacted] who gave a prayer. [redacted] next introduced NSRP Chairman NED DUPES, who gave the Pledge of Allegiance to the U. S. Flag. DUPES then spoke for quite some time, and during his speech, made very uncomplimentary remarks against the Federal Bureau of Investigation, which he stated was the "Federal Bureau of Integration." DUPES commented that the "Communists and Jews" think and act the same and are behind all race-mixing. DUPES called on loyal Americans to stand together and made very derogatory remarks concerning "M. LUCIFER COON" (phonetic), whom he described as a "Nigger lover."

MONTANA

Page 4 of Issue #60 of "The Thunderbolt" carried three articles concerning NSRP activity in Montana. One caption reflected "MIKE CAMERON Places NSRP on Montana Ballot." An article under this heading stated that five sets of presidential electors would be on the Montana ballots on November 3, 1964, including four electors nominated at a "Wednesday date-line convention in Helena" of the NSRP. It was stated that this convention was the third of the NSRP in less than a month. JACK GUNDERSON, described as a Butte carpenter, was said to be the party's nominee for Montana's Western District Seat in Congress. According to the article, the following are the presidential electors, whose names would be on the general election ballots by party: States Rights - CHARLES GLAZE, Winifred Grain Elevator Operator; MILTON VOISE, Missoula Bus Driver; GEORGE SCOTT, Polson Motel Operator; and MARY GUNDERSON, Butte Housewife. The article stated that the above candidates would support JOHN KASPER and JESSE B. STONER.

NEW JERSEY

Page 8 of Issue #61 of "The Thunderbolt" carried an article under a caption "New Jersey." This article stated that the NSRP had opened a new Party unit in New Jersey, and that a meeting had been held "recently" and the following were elected to run the new local unit: "JOHN HOFFT, Chairman; W. ROTELLO, Vice Chairman; OTTO MAUSSER, Sergeant at Arms; and ANTHONY VATTAY, Treasurer." The article also stated that their address was as follows: "National States Rights Party, P. O. Box 1030, Hoboken, New Jersey 07003."

NEW YORK

On Page 11 of Issue #58 of "The Thunderbolt" was a photograph of two white male individuals. Under this photograph is wording that describes one of these males as "New York State Director (of the NSRP) BILL HOFF, and the other male as Pennsylvania Organizer (of the NSRP) GILBERT PAQUETTE. Under the photograph is an article captioned "New York - Penna." This article stated that a stepped up campaign organizational drive was then taking place in northeastern area of the United States, and that the above-mentioned BILL HOFF and GILBERT PAQUETTE were leading this drive.

Issue #55 of "The Thunderbolt", dated January, 1964, on Page 12, carried an article entitled: "Extremist Held in Rights Office Brick Tossing." This article appeared to be a reprint from an unidentified newspaper clipping.

This article reflected that a WILLIAM H. HOFF, 277 Warren Street, Brooklyn, New York, New York State NSRP Director, was arrested by police in New York City for throwing a brick at the Brooklyn Office of the State Commission for Human Rights. The article further stated that an unidentified woman passerby said she saw HOFF throw the brick through a plate glass window of the Human Rights Commissioner's Office, 118 Court Street, Brooklyn, New York, at 1:45 A.M.

This undated article stated that HOFF was subsequently charged with malicious mischief, and was subsequently to appear in Brooklyn Criminal Court.

Issue #65, dated March, 1965, of "The Thunderbolt," on Page 8, reflected information to the effect that the mailing address of the New York Branch of the NSRP was: "NSRP of New York, GPO Box 1243, Brooklyn 1, New York."

OHIO

Page 5 of Issue #60 of "The Thunderbolt" carried a photograph of EDWARD R. FIELDS, and above the photograph was the wording, "Dayton Daily News" and the date Sunday, June 21, 1964. Below the photograph was an article captioned, "Negroes Blasted by States Rightist." The article indicated that it had been written by a staff writer for the Dayton Daily News of Dayton, Ohio. It was also indicated that FIELDS had recently spoken at an NSRP rally held at 820 Linden Avenue (Dayton, Ohio), which was attended by nearly 100 persons. FIELDS was quoted as saying, "Negroes haven't gone beyond the ape stage." According to the article, FIELDS also stated that the greatest threats to our Christian Constitution today are the Civil Rights Bill, the U. S. Supreme Court ruling on legislative reapportionment districting, and the proposed changes in the immigration law.

Page 8 of Issue #61 carried four articles concerning NSRP activity in Ohio. One article headed "Mansfield, Ohio", stated that NSRP in Ohio held its annual picnic at Mansfield, and that National Chairman NED DUPES, and J. B. STONER were the featured speakers.

Another article headed "Medina, Ohio," stated that the "Party" held an open-air rally at Medina, for "Medina and Cleveland" members on a large parking lot and field owned by the Chairman of the NSRP's Medina unit, BURT WILLSEY, who operated the Powder Horn Gun Shop. The article stated that the featured speakers were ALLAN PAUL STEIGER of Cleveland, and J. B. STONER of Atlanta, Georgia.

Another article headed "Dayton, Ohio," stated that the headquarters of the NSRP in Ohio was located at 224 Oak Street, in Dayton, and that the offices of the Ohio State Organizer R. D. ELDRIDGE were located at the same address.

Another article on Page 8 was headed "Cincinnati, Ohio," and this article stated that NSRP's Cincinnati unit was holding "constant meetings" at the Party Hall on Hamilton Street, under the leadership of Mrs. ELOISE WITTE. It was also stated that J. B. STONER, while on his northern tour, was at the "Party" rally, Cincinnati.

The May 11, 1964, issue of "Dayton Daily News," a daily newspaper of Dayton, Ohio, contained an article which indicated that the Dayton Office of the NSRP was sending anti-Civil Rights Bill petitions to Ohio's two senators. The article indicated that the local group was citing results of the May 5 primary election, in which WILLIAM H. INGRAM, JR., staunchly opposed to civil rights legislation, received 8,047 votes in his bid for democratic nomination for Ohio House. The article stated that although INGRAM ran last among the nine candidates campaigning for the five nominations, IRVING THACKER, State Coordinator for the NSRP, pointed out that he drew about 40% as many votes as the candidate who headed the ticket.

On February 5, 1964, [redacted] Cincinnati, Ohio, advised that she was a member of the Cincinnati Chapter of the NSRP of which there were about 25 members, and that [redacted]

T-31 advised on May 20, 1964, the NSRP has an active chapter in the Dayton, Ohio, area, with Headquarters located at 224 Oak Street. Informant stated this group has an active membership of approximately 25 persons. The informant stated this group is affiliated with the parent NSRP Organization, which has its National Headquarters at Birmingham, Alabama.

Issue #66, dated April, 1965, of "The Thunderbolt," on Pages 8 and 9, carried articles concerning NSRP activity in Ohio. One article reflects that Mrs. ELOISE WITTE had helped conduct very successful month-long picketing and protest demonstrations in Cincinnati, Ohio, and thereby the NSRP received nation-wide publicity. The article stated that the Russian Medical Exhibit at the Civic Center had been forced to take down its Communist Flag, and the city rescinded its order for all public school children to attend. Another article reflected that NSRP pickets had maintained continuous demonstrations against the USSR Communist Exhibits in Cincinnati, Ohio, and Page 9 carried two photographs of such picketing.

PENNSYLVANIA

Page 11 of Issue #58 of "The Thunderbolt" carried a photograph and article of NSRP Pennsylvania Organizer GILBERT PAQUETTE, as previously set out under heading of NSRP activity in New York.

Page 10 of Issue #59 of "The Thunderbolt" carried a heading "Congratulations to Gil Paquette For Below Publicity In." Below this heading were two articles. One article was captioned, "Philadelphia Inquirer," a daily newspaper of Philadelphia, Pennsylvania. This article stated that the NSRP was working with other groups in an attempt to get other candidates on the Pennsylvania ballots according to GIL PAQUETTE. The article stated that the local unit of the NSRP, according to PAQUETTE, operated from P. O. Box 36, Folcroft, (Pennsylvania), and P. O. Box 65, Pottstown, (Pennsylvania).

Another article under the above-mentioned heading bore the caption, "Party Supports JOHN KASPER for President." This article stated that GILBERT J. PAQUETTE was the Pennsylvania Organizer for the NSRP which was billing itself as "America's Largest Third Party." It was also stated that the NSRP had established a chapter in Folcroft, and was starting one in Pottstown.

Page 8 of Issue #61 of "The Thunderbolt" carried a caption "Pennsylvania" which reflected that "GIL PAQUETTE" was still the NSRP Party leader in Pennsylvania, and had been active in regard to NSRP in that area.

Issue #55 of "The Thunderbolt", dated January, 1964, on Page 9, in an article entitled: "In Memoriam", announced the death of RALPH HASSINGER, NSRP Organizer for the State of Pennsylvania, who died of natural causes at the age of 31.

TENNESSEE

Page 2 of Issue #58 of "The Thunderbolt" carried a heading "KASPER Defeats Vicious Smear Plot." There was also a sub-caption, "Lying Press Refuses to Correct False Story." This article stated that on April 15 (1964) the Associated Press had carried out one of the most libelous smear assaults ever made against JOHN KASPER. The article stated that when KASPER received the nomination of the NSRP for its candidate for President of the United States, pressure had been greatly increased to frame him, and the article allegedly set out facts tending to try to show the alleged frame up.

"Page 4 of Issue #60 carried a heading, "Nat'l Chmn. Dupes Defines Pharisee and Anti-Semitic." Below this heading is an article reportedly giving definitions in that regard as given by NSRP National Chairman NED DUPES of Knoxville, Tenn.

Between dates of January 8, 1964, and August 3, 1964, BH T-15 and BH T-16 have advised that there is absolutely no known activity of the NSRP in the Memphis area; that there are a few individuals who by virtue of the membership, received printed literature of the NSRP, including its official monthly organ, "The Thunderbolt," distributed from P. O. Box 891, Birmingham, Alabama.

Both T-15 and T-16, who are familiar with most phases of pro-segregation, anti-Semitic and related hate type activities in the Memphis area, have advised that they have heard of no organized NSRP activity in the Memphis area.

WASHINGTON

Page 8 of Issue #61 of "The Thunderbolt" carried an article captioned "Washington" which stated that NSRP Coordinator MIKE CAMERON had just completed a speaking and organizing tour in Washington State. It was stated that CAMERON held many meetings with members of various cities and that in Seattle, arrangements had been made for the NSRP to open up a local office. MIKE CAMERON was described as one of the top organizers of the NSRP.

BH 105-477

FINANCES

The Birmingham Post Herald, a daily newspaper of Birmingham, Alabama, in its Final Edition for October 22, 1963, carried an article reflecting that the NSRP then had three paid employees, according to records on file with the Clerk in the U. S. House of Representatives. The article stated that a financial report had been filed by EDWARD FIELDS, as required quarterly of political parties. It was stated that FIELDS was paid \$450.00 a month, according to records, from January, 1963, through June, 1963. It was stated that another paid employee was JAMES K. WARNER, whose salary was \$225.00 in January, \$155.00 in February, \$225.00 in March, and \$250.00 monthly in April, May, and June. It was stated that JERRY DUTTON had been paid from \$40.00 to \$160.00 a month.

FIELDS, according to the article, did not give the source of the party's money, and his report stated that for the first three months of the year, there were no large contributions received. He reported receiving \$7,691.25 for the first three months of the year, and \$10,936.76 for April, May, and June.

On [redacted] BH T-14 advised that he had received information from a highly confidential and reliable source to the effect that [redacted]

On August 24, 1964, Birmingham Confidential Informant T-6 made available a leaflet captioned, "A Party not a Publication." This leaflet reads in part as follows:

"On April 28, 1964, Jerry Dutton, National Youth Leader, Robert Bowling, National Co-Ordinator, Jim Thornton, Associate Editor of the Thunderbolt, Albert Deshazo, Georgia organizer, and many local members resigned from their positions in the NSRP in protest of the defeatist policies of Dr. Edward R. Fields. Many more resignations are expected at the release of this letter. It has been almost seven years since the founding of the NSRP. In the course of these years the party has grown very little while the party publication The Thunderbolt has grown to 16 pages. Although since the resignation of the party organizers only one edition of the 16 page Thunderbolt has been published. This was the 'May-June' edition. In a letter sent out by Fields last week, money was asked to finance a 'July-August' edition. Lack of funds at this time of year indicates that the people have lost faith in Dr. Fields. The Summer months are the best months for a political party for organizing and fund raising. A political party must have funds to grow and expand. But if the money sent to a political party is not used correctly it will never become a power. While a political party must have a publication, the purpose of the publication is to enlighten the people to basic truths and doctrine. No party in history has ever published its way to power. Today the national leadership of the NSRP consists of Ned Dupes, 'National Chairman', who is a figurehead for Fields and Dr. Fields who has ultimate control of all finances and who makes all decisions accordingly. At no time in the history of the NSRP has any national officer resigned and formed an independent organization. Fields letter states that all attempts in the past have failed, actually no attempts have been made. We shall not fail! We are growing daily by leaps and bounds. We are the party which Fields complained about in the letter. We have formed the AMERICAN STATES' RIGHTS PARTY. Funds from loyal party members have launched our publication, the WHITE AMERICAN."

The Birmingham Post Herald, a daily newspaper of Birmingham, Alabama, in its Final Edition for November 19, 1964, on page 32, carried an article captioned "NSRP Spent \$32,662.58." This article was dated November 18 (1964) at Washington, D.C. The article reflected that "in this election year" when the Democratic and Republican parties were each spending millions of dollars, the National States Rights Party, which is headquartered in Birmingham, Alabama, spent \$32,662.58.

The article continued by stating that the election returns "showed it, too," and went on to state that the party's candidate for president (of the United States), JOHN KASPER, "limped in a hopeless loser in the only two states where he was on the ballot, Kentucky and Arkansas." It was stated that reports on file with the clerk of the House of Representatives showed the National States Rights Party received contributions during the year of 1964 totaling \$30,540.21, and that they had spent \$32,662.58. It was further stated that a surplus from last year's operation had left the party \$1130.97 "in the black" as of five days before the election.

The article went on to state that major expenditures were reported for the operation of the Birmingham Headquarters, postage for mailing literature and purchase of right-wing books and other materials.

The article also stated that according to reports, there were only four contributions to the NSRP in the amount of \$100.00 or more. It was stated that the Federal Corrupt Practices Act requires individual listing of all contributions of \$100.00 or more and pointed out that the NSRP had listed only four so far during the year 1964, and that all of those had come from outside the state of Alabama.

"The Thunderbolt," the official publication of the NSRP, in its current Issue, #63, dated December-January, 1965, on Page 5, carried a heading "NSRP Action News." Under this heading is a sub-heading "California." Under this sub-heading is an article which reads as follows:

"Mr. Ron Eddy, NSRP Calif., chairman reports that he is making steady progress in getting NSRP activity underway again in his state after about a years lapse. His recent collection for organizational work amounted to \$131.00. This is still not enough to buy a first class mimeograph machine, which is desperately needed to again begin local state publication of 'The Attack.' A Party Unit almost cannot exist without such tools. Let's all do what we can to back up Mr. Eddy and perhaps some loyal Patriot can donate a good used machine to him. Attorney J. B. Stoner should be out in Calif., by the end of February to help Mr. Eddy organize meetings and establish a Calif., Headquarters for the NSRP."

Page 12 of Issue #66 of "The Thunderbolt," dated April, 1965, carries several ads in regard to prices and how certain items can be ordered from the NSRP, P. O. Box 783, Birmingham, Alabama. These ads show that "The Thunderbolt" is \$3.00 per year, and that special rates can be obtained for additional copies, such as ten copies for \$1.00, forty copies for \$3.00.

Another ad shows confederate flags, 5' X 3' in size, can be bought for \$5.00 each; confederate flags, 18" X 12", can be bought for \$.50 each; or a dozen flags for \$5.00; and confederate flags, 3½" X 5½" can be bought for one flag for \$.20, or seven flags for \$1.00.

Thunderbolt arm bands were advertised for \$1.50 each, and page 12 carries a listing of numerous books which the NSRP has for sale, such as "Know Your Enemy," \$.50 per copy; "Jewish Anti-Defamation League," \$.50 each; "The International Jew," \$3.00 each; etc.

PUBLICATIONS AND PROPAGANDA

Issue #66 of "The Thunderbolt," dated April, 1965, is self-described as the "official White Racial organ of the National States Rights Party." This issue stated this newspaper is published monthly, and the subscription rate is \$3.00 per year.

Issue #66 also reflects that Dr. EDWARD R. FIELDS continues to serve as Editor of "The Thunderbolt," and the mailing address is P. O. Box 783, Birmingham, Alabama, which is also the mailing address of the NSRP.

Issue #66 of "The Thunderbolt" continues with the NSRP's attacks on the U. S. Government, including the FBI, President Johnson, Jewish People, and Negroes.

Page 2 of Issue #66 carries an article headed "NSRP Gives 23 Grounds for LBJ's Impeachment," and in part reads as follows:

- "22. L.B.J. has a fanatical hatred for White people and is trying to destroy the White Race with a 2nd Reconstruction.
- "23. L.B.J. hates the United States Constitution.

"Lyndon B. Johnson needs to be impeached now before our Nation is destroyed. We call upon all patriots to join us in petitioning Congress as a whole, and each individual Congressman, to impeach Johnson so that America can survive.

"National States Rights Party
National Headquarters
P. O. Box 783
Birmingham, Alabama."

BH 105-477

Page 10 of Issue #66 also carries an article, "FBI Hides Faces." In part this article reads as follows:

"The FBI certainly has a lot to be ashamed of. They are coddling traitors and squandering the taxpayers' money by providing a baby-sitting service for every beatnik communist bum in the country who wants to come South to agitate peaceful communities. Always remember, you are not required to talk with FBI Agents, and have the perfect right to order them off your property, and have them arrested for trespassing if they refuse. The FBI has become the most dangerous secret police agency promoting race-mixing this nation has ever seen."

Page 12 of Issue #66 carries an ad showing copies of a book, the "Talmud Unmasked," which can be ordered from NSRP, Box 783, Birmingham, Alabama. This ad stated this book was an exact translation from Hebrew to English, proving "Jews hate Christ, Jews denounce Virgin Mary, Jews permitted by Rabbi to lie, steal and cheat Christians."

Page 5, Issue #66, of "The Thunderbolt" carried an article, "Race Mixing Destroyed Egypt." In part this article reads as follows:

"The great civilization of Egypt was produced by a people who showed no evidence of Negro blood, and a form of caste served for awhile to prevent intermarriage with the colored races. It is only natural that we find the first traces of negro blood in Southern Egypt where the people were nearest to the negro tribes of Africa. Blacks gradually filtered into Egypt, and the waging of war against the African tribes served to intensify racial contact. As racial contact continued, Egyptian history records what has certainly been proved to be the result of long continued contact -- blood admixture.

"The large numbers of black women found in the harems of the rich, and even in the huts of the common people, quickly impaired the purity of the race, even among the upper classes of the nation, and the types began to resemble that of the negro tribes of Equatorial Africa."

Page 11 of Issue #65, dated March, 1965, of "The Thunderbolt," reflects that the NSRP membership initiation fee is \$8.00. This fee included a year's subscription to "The Thunderbolt," which subscription is \$3.00 per year.

Page 6 of Issue #65, dated March, 1965, of "The Thunderbolt," carries an editorial purportedly written by Dr. EDWARD R. FIELDS, which is captioned "We Want States Rights - Get the Federal Government Off Our Backs." The article stated the Federal Government had too much power, and the President was using the FBI, U. S. Marshals, and troops to enforce judicial edicts which could never have been passed by the elected members of Congress. The article continued by stating that we must work to remove Federal control from our daily lives.

It is noted that in addition to the publication of the monthly NSRP newspaper, "The Thunderbolt," during the past several years, the NSRP has offered for sale various pamphlets, books, and other literature setting forth similar information to that contained in "The Thunderbolt."

NATIONAL STATES RIGHTS PARTY
(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue Number 60, dated July-August, 1964, reflects the mailing address of the NSRP is still Post Office Box 783, Birmingham, Alabama.

DECLASSIFICATION AS OF *6080 on 7/12/77*

RE: NATIONAL STATES RIGHTS : ~~CONFIDENTIAL~~
PARTY (NSRP) : ~~CONFIDENTIAL~~

A characterization of the National States Rights Party is being set forth in the appendix to this letter-head memorandum.

The July, 1965 issue of "The Thunderbolt", the official newspaper of the NSRP, reflects that it is Issue #69. In the masthead of Issue #69, the mailing address of "The Thunderbolt" is reflected as "P. O. Box 184, Augusta, Ga."

Issue #68, dated June, 1965, of "The Thunderbolt", reflected the mailing address of the newspaper and the National Headquarters of the NSRP to be P. O. Box 783, Birmingham, Alabama, and 1865 Bessemer Road, Birmingham, Alabama, respectively.

Page eight of Issue #69 of "The Thunderbolt" carries an article captioned "NSRP Moves to Augusta, Georgia". This article reflects that the NSRP National Executive Committee had decided to move "The Thunderbolt" newspaper and "Party Headquarters" to Augusta, Georgia. It was also stated that this move would allow the NSRP to have "joint office" with "our Party's general counsel, Lawyer J. B. STONE-, (who is a Georgia-licensed attorney)". The article also stated that for the first time, the NSRP would receive great benefit from having "this outstanding legal mind on the headquarters staff on a full time basis." "His (STONE's) brilliant legal advice and work will be available to the Party 24 hours a day".

The above article continued by stating that the NSRP newspaper had been printed in Georgia for a long time and "trucked each month to Birmingham". It was stated that the move would place the NSRP much closer to the printer and would enable the NSRP to maintain a much smoother

operation. The article concluded as follows:

"From now on, send all correspondence to our new address:

National States Rights Party
P. O. Box 184
Augusta, Georgia"

On page 12 of Issue #69 of "The Thunderbolt", is an announcement captioned "IMPORTANT ANNOUNCEMENT". Under this heading is a statement "The Thunderbolt Moved To Augusta, Georgia". Immediately thereafter in this announcement is the statement "There will be no August Thunderbolt due to this time consuming move. All subscriptions will be moved up one month. September Issue will reach you immediately after Labor Day".

forwarded to the Post Office Department, New York, New York, a throwaway issued by the National States Rights Party, New Jersey Chapter, Box 1030, Hoboken, New Jersey 07030. The throwaway set out that a "white man's rally was to be held on Friday, June 4, 1965, 8:00 pm at Shannon Hall, 106 First Street, Hoboken, New Jersey, to which "all white people cordially invited", and admission free. This throwaway is set forth as follows:

b6

"To fulfill their diabolical goal of world domination the agents and fellow travelers of the International Jewish Conspiracy (commonly called communism) has ordered THE WHITE RACE TO BE DESTROYED.

"The White man in America is to be and is being destroyed as has the White man in Africa. If he is not killed outright, all he stands for and has worked for is to be plundered. His livelihood, home and even his wife and daughters are to be taken to be ravaged by Black savages. He is to be integrated and intermarried with the culturally inferior Negro until the once-proud White race--the builder of this nation--ceases to exist. The White race is to be COMPLETELY DESTROYED. America is to become a land devoid of culture or beauty. It is to be a land of Black and mongrel sub-humans ruled by Jews. AMERICA IS TO BE A VERITABLE COLONY OF BLACK AFRICA.

"The POLITICIANS in office have BETRAYED THE WHITE MAN. They have sold out the White man for the Black vote and Jewish dollar. These POLITICAL PROSTITUTES are traitors to the White people they pretend to be representing.

On June 4, 1965, Chief Ambrose Ryan, Hoboken, New Jersey Police Department, telephonically advised that the above organization was to hold a meeting at Shannon's Tavern, 106 First Street, Hoboken, New Jersey, that evening, but [redacted] had advised the Police Department that because of a death in the family she was closing the tavern for that day and, therefore, the meeting scheduled could not be held there.

Chief Ryan, on June 7, 1965, stated that on Friday, June 4, 1965, two men observed in front of the Shannon Tavern were interviewed by the Hoboken Police and identified themselves as [redacted]

[redacted] stated they represented the National States Rights Party of Birmingham, Alabama, with the New Jersey Chapter located through Box 1030, Hoboken, New Jersey.

According to Chief Ryan, at about 7:20 pm, June 4, 1965, a group of men were observed at the doorway of the Shannon Tavern and when it was found to be closed waited in the area for approximately eight other men to appear. This group subsequently walked to the Homestead Tavern, 301 Washington Street, Hoboken, where they were observed in the rear room seated around several tables from about 8:45 pm to 11:30 pm. It appeared to the Police Department observers that each one of the group gave a shorttalk by standing and facing the group.

At about 11:30 pm they all left the tavern and the owner of the tavern, [redacted], advised the police observers that he knew only one of the group by sight, and

(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue Number 60, dated July-August, 1964, reflects the mailing address of the NSRP is still Post Office Box 783, Birmingham, Alabama.

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second "the dissemination of our program and the truth about the Party;" third "organizing the people who have been converted to our propaganda;" and fourth "the attainment of power through the votes of the newly-won masses."

NATIONAL STATES RIGHTS PARTY (NSRP)

On September 27, 1965, SV T-1 advised that [redacted] who has been working in the office of the National States Rights Party (NSRP), a characterization of which is attached hereto in the appendix, had been seen to enter on the morning of September 18, 1965, the office with a suitcase. A short time later [redacted] was seen leaving with the suitcase alone. This source stated that [redacted] had not been seen at the offices of the NSRP since that time.

On October 28, 1965, SV T-1 advised that he had observed that the Railway Express Company delivers a number of cardboard boxes to the NSRP about once a month and these boxes come from Monroe, Ga. He said he had noted no specific return address on these boxes, but it occurred to him that these boxes probably contained the issues of "The Thunderbolt", self-described as the organ of the NSRP, and this source was of the opinion that "The Thunderbolt" is printed in Monroe, Ga., shipped to Augusta, Ga. to the NSRP, from which point it is distributed to the subscribers.

On October 28, 1965, SV T-1 reported that Jessie Benjamin Stoner has now set up offices in the same office suite with the NSRP on the second floor of the Marion Building in Augusta, Ga. This source stated that the name J. B. Stoner, Attorney, Room 204-206, was added to the directory of the Marion Building on October 27, 1965. This source stated that Stoner has been seen entering the offices of the NSRP almost daily for the past two to three weeks. The source said that Stoner has not been seen entering the office during

October 28, 1965.

SV T-1 reported that there are now two ladies working in the office of the National States Rights Party and they have been working there for a week or two. He stated that it appears that [redacted] Stoner, and the two ladies are the only employees working in this office at the present time.

SV T-1 reported that [redacted] was not seen entering his office for about two days around October 15, 1965.

On October 28, 1965, SV T-2 reported that [redacted] parks his [redacted] bearing [redacted] in the parking area of the Allright Automobile Parking Company, 736 Reynolds Street, which is directly behind the Marion Building, which faces Broad Street in Augusta, Ga. This source stated that he had observed Attorney Jessie Benjamin Stoner to start using the parking facilities of this parking lot about two to three weeks ago. He said Stoner had been seen driving about a 1960 or 1961 Oldsmobile or Pontiac, green and white in color, but he had not noted the license plate on this vehicle. This source continued that [redacted] and Stoner come together to the parking lot on many occasions and leave together on many occasions. He said he had also noted that [redacted] will use Stoner's car, and vice versa, on occasions. This source said he had not seen Stoner in the parking area on October 28, 1965. He also recalled that [redacted] had said about two weeks ago that he was going to Atlanta, Ga. for the week end to visit his parents, as this source recalled.

On September 27, 1965, SV T-3 advised that he had observed a Lincoln Continental, dark in color, about a 1964 model, parked at the residence of [redacted]. This [redacted] was seen at this residence during the afternoon, but the license number was not obtained and the person visiting the [redacted] was not identified or seen.

On October 28, 1965, SV T-4 made available a copy of the October, 1965 issue of "The Thunderbolt", issue number 71. On the first page of this issue appears a picture of Attorney J. B. Stoner and states that Stoner, in an article attached, has petitioned the entire House of Representatives to rebuke Chairman Willis of Louisiana and to stop this committee from trying to run rough shod over the rights of white people who are standing up against race mixing.

NATIONAL STATES RIGHTS PARTY

The article in discussing the Ku Klux Klan hearings before the Un-American Activities Committee, states that the House Committee on Un-American Activities has slipped into the hands of the left wing liberals and is being used to persecute Southern white people who are standing up for the separation of the races. The article further states that when the first klansman to take the witness stand, Robert Gentry of Murfreesboro, Tennessee, and refused to answer questions of the Committee, Chairman Willis threatened and tried to coerce Gentry into giving testimony.

Also on the first page of this issue is an article stating that George Lincoln Rockwell had filed a libel suit against Doctor E. R. Fields, Editor of "The Thunderbolt" for some of the charges Fields had made against him in "The Thunderbolt" and in various letters. He said that the article which is signed by Doctor E. R. Fields, Editor of "The Thunderbolt", states that Fields and Rockwell had agreed upon a retraction which is quoted in the article. The retraction states that while Fields disagrees 100% with Rockwell on his approach, Fields knows him to be completely dedicated to America and the white race. The retraction states that Rockwell is a staunch American patriot and has never sold out to the Communists, Jews, Zionists, Drew Pearson, or anyone else.

Page 2 of this issue of "The Thunderbolt" carries a petition to the House of Representatives, United States Congress, Washington, D. C., signed J. B. Stoner, Attorney at Law, Marion Building, Post Office Box 184, Augusta, Georgia. The petition deals with the investigation by the House Committee on Un-American Activities of the Ku Klux Klan and Gentry, Stoner's client, after stating that Gentry had on September 27, 1965, invoked the Fifth Amendment to the Constitution upon Stoner's legal advice, and would continue to do so. The concluding paragraph petitioned the House of Representatives to pass a resolution reprimanding Chairman Willis, the House Committee on Un-American Activities, and Investigator Ray McConn for misusing a congressional committee to persecute a patriotic, white, Christian, American citizen, and to order them to cease and desist..

NATIONAL STATES RIGHTS PARTY

Page 3 of the October issue of "The Thunderbolt" states in an article entitled "Voting Registrars: Federal Occupation" that there are now Federal voting registrars in many parts of the South. It states that they are in direct violation of the United States Constitution which gave the individual states the rights to establish qualifications for voters. It continues that when the first Federal voting registrar moved into the South, the South became a victim of the illegal and brutal force of Federal occupation. It continues that "they have moved in forces of hoodlum-like FBI Agents to guard and protect these Federal voting registrars".

On Page 4 of the October issue of "The Thunderbolt" in an article entitled "Florida Report - NSRP to be on May Ballot" by W. Eugene (Gene) Wilson, Director, Duval County, Florida, NSRP, it is stated that the NSRP will use the Democratic Primary in Duval County in 1966 and function as a party within a party. It continues that in Duval County the NSRP shall run candidates in the Democratic Primary in May on the NSRP platform. The article states that a candidate has not been selected, but every effort would be made to defeat Congressman Charles E. Bennett and replace him with a member of the NSRP.

Also carried on Page 4 of the October issue of "The Thunderbolt" is an open letter to the President by Doctor Edward R. Fields. The open letter is dated September 20, 1965, and addressed to President Lyndon Johnson, White House, Washington, D. C. The letter criticizes President Johnson for what it calls tax by his administration against the white people in America. The letter states that Fields did not understand why President Johnson had passed Civil Rights bills oppressing the rights of white people and his threats to cut off money to public schools unless the white and Negro children are mixed. The letter continues that the administration's appeasement and giveaway programs to the Negro race was only making them (Negroes) more arrogant and more demanding. The letter concludes with a demand for President Johnson's resignation from office and states that Fields is looking forward to the day when President Johnson would be removed from office.

On Page 5 of "The Thunderbolt", October, 1965 issue, in an article entitled "California Report: Rapid NSRP Growth", attributed to Neuman R. Britton, California State Organizer of the NSRP, San Bernadino, California, states that the riots in Los Angeles had caused

NATIONAL STATES RIGHTS PARTY

many more Californians to see the Negro for what he actually is and claims that the white people of that state are now more against the Negroes than are the white people of the South. The article claims that this race war that broke out in Los Angeles increased the NSRP's strength in California and resulted in more chapters. It states that the NSRP is preparing to run its candidates for Congress and the California State Legislature in 1966. In this article Britton offers to assist chapters in organizing and states that during the winter months, Doctor Edward R. Fields, Reverend Connie Lynch, and Attorney J. B. Stoner will be in California for mass meetings and urges readers to hear the speakers.

On Page 9 of the October issue of "The Thunderbolt" is quoted an article by Robert H. Collins of the St. Louis Post Dispatch staff stating that Allen O. Kern, Missouri Chairman of the NSRP, had organized a youth organization of American Racial Nationalists there. Kern was quoted as saying that the youth group was formed several months ago and had been meeting frequently to receive instruction from local leaders of the party. The official name of the organization was set forth as the National States Rights Party Youth Movement. It stated that the identities of the members of the movement were not being disclosed to anyone at this time.

On Page 10 of the October issue of "The Thunderbolt" is an article entitled "Katzenbach Orders FBI Investigate Private Schools". In this article a reference is made to an article that appeared in August in the Charleston News and Courier concerning FBI Agents having been ordered by Attorney General Katzenbach to investigate private white schools established in South Carolina. The article continues that it appears the Federal Government is determined to discourage development of private schools. After quoting the article from the Charleston News and Courier, the following paragraph appeared:

"This editor has long felt that at some point in this struggle to preserve our race, we should have to openly defy the Federal tyrants and have it out with them once and for all. Already in Louisiana the Jew Katzenbach is suing to force private white clubs to accept Negroes."

On May 11, 1965, BH T-1 further advised that on that date he visited NSRP Headquarters in Birmingham at which time [redacted] was present and working in the NSRP Headquarters. [redacted] stated that on May 9, 1965, about 11 cars traveled from NSRP Headquarters in Birmingham to a public meeting held by the United Klans of America, Inc., Knights of the Ku Klux Klan, (UKA, Inc., KKKK) in Anniston, Alabama, at 1 PM on May 9, 1965.

A characterization of the UKA is being set forth in the appendix of this report.

On June 3, 1965, Birmingham Confidential Informant T-2 made available a two-page leaflet then being distributed by the NSRP in Birmingham, Alabama. This leaflet carried a photograph of J. B. STONER, an attorney-at-law in Atlanta, Georgia, and reflected that STONER would tour the West Coast of the United States. It also stated that the "NSRP Launches Vast Northwest Tour." The article also stated that Attorney J. B. STONER, described as the Vice Chairman of the NSRP, would begin an important speaking tour of the far Northwest on June 4. It was also stated that Attorney STONER would board a Delta jet in Atlanta, Georgia, at 11:40 AM, June 4 (1965) and would arrive in Vancouver, Canada, at 9:10 PM on June 4. STONER, according to the article, would be greeted at the airport by DAVID STANLEY and other "Party" members and that Mr. STANLEY had furnished information to the effect that at least 20 representatives of the press and TV would be on hand to interview Mr. STONER. The object of STONER's visit reportedly would be to lay plans to fight the Canadian Government's "cowardly attack" on "Freedom of The Press" when they banned "The Thunderbolt," the NSRP newspaper, from being mailed into Canada. The article stated that Attorney STONER would register a "stern protest" against this "un-Constitutional action" with the Canadian Government. It also was stated that DAVID STANLEY had scheduled three "speakings" for Attorney STONER, plus numerous interviews.

The article further stated that "from there (Canada)" Attorney STONER would be driven by "local supporters" to Spokane, Washington. According to the article, MIKE CAMERON (NSRP Northwest Co-ordinator) would sponsor Attorney STONER who would speak to supporters in that area. According to the article, Mr. CAMERON would bring local members to "this meeting from the Western parts of Montana." From Spokane, Washington, it was stated that Attorney STONER would go to Seattle, Washington, where he would speak on June 11, 1965, and that he would then speak in Tacoma, Washington, on

BH 105-477

June 12. From Takoma, he would go to Portland, Oregon, for a meeting on June 14, according to the article, and STONER's "next visit" would be in San Francisco, California, where he would meet with "local Patriots" on June 16, 1965.

The leaflet in part reads as follows:

"REMEMBER FRANK L. BRITTON

"Frank L. Britton was the Editor of 'The American Nationalist,' a well-known right-wing publication during the 1950's. Mr. Britton has been in Folsom prison (in Calif.,) almost five years now on the insignificant charge of 'attempting to bribe a police officer.' The case began over a minor street infraction, which the court dismissed. It was then charged that Britton tried to give the arresting officer some money not to take him in. (This is like giving a policeman five dollars not to give you a traffic ticket.) Anyway, Frank L. Britton was given 1 yr to life as a result. Most men would be released within a few months on such a charge. BUT BRITTON HAS NOW BEEN IN FOLSOM MAXIMUM SECURITY PRISON FOR ALMOST FIVE YEARS, WITH NO RELEASE IN SIGHT. The last parole officer to review his case was a Negro, who turned Britton down. Armed robbers and other dangerous criminals have been released in much shorter time than what Britton has already served. Atty. Stoner will visit with Mr. Britton in prison on June 18th and we hope that arrangements can be made at that time for a new hearing. It is our goal to reopen this case in the federal courts. Atty. Stoner will handle the appeal. We will give you a more detailed report on this case when Mr. Stoner returns. From there Atty. Stoner will go to Los Angeles for a series of meetings. This is a stronghold for NSRP and Atty. Stoner hopes that a Headquarters can be opened in Southern Calif. San Bernardino and San Diego will be other stops during Atty. Stoner's trip. We feel that our Movement is needed more now in the West Coast than ever before. This entire tour will take about a month and a half. Atty. Stoner will be the guest of Mr. Robert F. Anderson while in Los Angeles. It is important that this speaking tour be a big success and we know that local supporters will do all in their power to see that it is. This is but a part of the over all national drive of NSRP. We plan more speakings and other action moves this Summer. To step up our program, we need your help!"

BH 105-477

Re: NATIONAL STATES RIGHTS PARTY

On December 1, 1965, SV T-1, who has reported reliable information in the past, advised that the National States Rights Party (NSRP) a characterization of which is attached as appendix, continues to occupy Room 204-206, Marion Building, Broad Street, Augusta, Georgia. This source stated that during most of October, 1965, in addition to [redacted] there were two women working in the office one of these women discontinued working around November 1, 1965, and only one woman remained until the latter part of November, 1965, when a girl of high school age started working in the afternoons.

b6
b7C

SV T-1 reported that J. B. Stoner, an attorney with the NSRP had his name added to the Marion Building Bulletin Board on October 27, 1965. Stoner has been observed at the NSRP Office late at night and early on the following mornings, and SV T-1 believes Stoner spends some nights in the office of the NSRP where there is a couch.

On November 18, 1965, SV T-2, who has reported reliable information in the past, advised that J. B. Stoner, registered at the Seven Gables Motel on October 31, 1965 showing his address as the Marion Building, Augusta, Georgia, and stayed until November 7, 1965, occupying House #1. He checked out and returned on November 7, 1965, staying in the same house, #1, until November 14, 1965. The source said that Stoner returned on November 16, 1965, and stayed in House #5, at which time he registered showing his address as Route 1, Mableton, Georgia.

The November, 1965 issue of the Thunderbolt, self-described as the official organ of the NSRP, reflects

Re: NATIONAL STATES RIGHTS PARTY

J. B. Stoner - Vice Chairman, NSRP, would speak at a rally of the NSRP at Baltimore, Maryland, at 8:00 P.M., November 19, 1965. Persons interested were instructed to obtain more details by calling Richard Norton or Lynn Clavey, NSRP leaders in Maryland.

On November 1, 1965, SV T-3, who had reported reliable information in the past, advised that J. B. Stoner drives a 1960 Oldsmobile, white over green, with Georgia tags, 7A-4204, and this vehicle had been seen at the Allright Parking Lot, 736 Reynolds Street, directly behind the Marion Building (Headquarters for the NSRP). This source stated that Stoner occasionally uses the [redacted]

The November, 1965 issue of the Thunderbolt lists Dr. Edward R. Fields as Director of the National States Rights Party, and Editor of the Thunderbolt. This issue reflects Rev. Connie Lynch, "one of our most dynamic 'rabble rowing' speakers", is still on a speaking tour speaking at NSRP meetings in Ohio, Indiana, Missouri, Alabama, and Florida. The paper reflected that Lynch had spoken at NSRP rallies at Jacksonville, Florida, on November 6, 7, and 8, 1965, and later appeared at rallies at Vero Beach, Florida. The paper announced that Dr. Edward R. Fields were to be featured speakers at the NSRP rallies of Duval County, Jacksonville, Florida, on November 20, and November 21, 1965.

On November 5, 1965, SV T-3 said he had seen an individual whom he identified from photographs of [redacted] as being [redacted] on the Allright Parking Lot, with J. B. Stoner, on [redacted] was driving a [redacted] License [redacted] which was left on the Allright Parking Lot while Stoner and [redacted] went in the Marion Building (headquarters for NSRP). SV T-3 advised that [redacted] were seen around Augusta after November 5, 1965.

Re: NATIONAL STATES RIGHTS PARTY

The November, 1965 issue of the Thunderbolt announced that Dr. Edward R. Fields would be the featured speaker at the NSRP rally in Birmingham, Alabama on December 5, 1965, and that Kenneth Adams, Chairman of the NSRP at Anniston, Alabama, would be the other speaker.

The same issue of the Thunderbolt said that Dr. Fields would speak at an NSRP Rally in Chicago, Illinois, on December 29, 1965.

The November 28, 1965, issue of the Augusta-Chronicle-Herald, a local daily and Sunday Newspaper published at Augusta, Georgia, carried a UPI news release stating that Attorney J. B. Stoner would defend Johnny Ira Defries, Lewis Blevins, and Dubert Damon Strange, on first degree murder charges at Anniston, Alabama, in the slaying of Willie Brewster.

The December 3, 1965, issue of the Augusta Chronicle, carried a report on the trial of Strange, and said that the jury at Anniston, Alabama, had on December 3, 1965, convicted Strange in the July slaying of Willie Brewster, a Negro foundry worker and set his penalty at 10 years in prison. J. B. Stoner, Strange's attorney was quoted as referring to the all white jurors as "white niggers."

[redacted] of Boston, Massachusetts, who was a member of the Communist Party, from March, 1949 to June, 1950, and who has furnished reliable information to the FBI in the past, advised on September 7, 1965, that he had visited the NSRP headquarters, Augusta, Georgia, on [redacted] learned that the NSRP has a mailing list of about 8,000 names and a membership of about 1,000. [redacted] told him the reason for the NSRP moving to Augusta, Georgia, was that the office in Augusta, was less expensive than the office in Birmingham, Alabama. The office in Birmingham was away from the main part of the city, and the headquarters in Birmingham was a target for fire bombs and gun shots without police protection. [redacted] said that at Augusta, the office is on a Main Street, and has 24 hour a day police protection. [redacted] also said to [redacted] that J. B. Stoner can only practice law in Georgia, and has to stay in Georgia to keep his license. [redacted] also told [redacted] that the Birmingham Office of the NSRP had become a flop house for party tramps, who did not work. [redacted] also reported that [redacted] had said most of his money and some of the party funds are in his wife's name, that she

On page 4 of the Thunderbolt, November, 1965 issue, in an article entitled "Bobby Kennedy Calls For Aid to Viet Cong" it is stated that on November 3, Senator Bobby Kennedy in speaking before a crowd of students at the University of California stated that the collecting of blood to be shipped to the Communist Viet Cong was "good and in the best tradition of this country." The article continues that this statement is treason and the NSRP called for the immediate impeachment of Kennedy, from the U. S. Senate. The article continues that "we feel that he should also be tried for treason in a court of law, convicted and publically hanged according to law.

On page 5 of this same issue of the Thunderbolt, in an article entitled "LBJ Orders More School Mixing Each Year", the paper states that President Johnson has ordered the nation's chief school race mixer, Francis Keppel "to give him a detailed report on integration of southern schools." The article continues "He has made it clear that total race mixing in the schools is his goal." The article calls for its readers to work toward private all white schools in every white community, and "keep the black out, preserve the future of the white race."

In an article on the same page of this issue, concerning a reported telegram sent Martin Luther King on August 10, 1965, by President Johnson promising "new laws where needed in the area of civil rights", the article states "The Negro is supposed to be able to dominate our community, and if we protest an FBI Secret Police Agent will be there to hold our people down so that the Negro can take over."

On Page 6 of the November, 1965 issue of the Thunderbolt, is an article attacking the UnAmerican Activities Committee in its investigation of the Ku Klux Klan. This article states that it is presumed that the members of this committee all took oaths to uphold the U. S. Constitution, but if they did they have all violated their oath and are more UnAmerican than anybody they could ever investigate. It continues that the Supreme Court may give the Negroes more special privileges by rulings that any act against a Negro is a civil rights violation, "whereas, when the black savages attack, murder

Re: NATIONAL STATES RIGHTS PARTY

and rape Whites, the Supreme Court and the District FBI Agents enjoy that and give Whites no protection."

In another article on Page 7, dealing with the "Willis Committee," it is stated "that undercover Agents and paid pimps for the Federal Bureau of Investigation are the ones who have set up schools for violence in an effort to entrap any unwary klansmen that would fall into their snare." This article continues "the Klan hasn't admitted any acts of violence because it has been infiltrated by too many Judas pimps who are willing to destroy their souls and their race for a few crumbs from the Jew-controlled race - mixing FBI.

The November, 1965 issue of the Thunderbolt said there would be no December, 1965, and the next issue would be January, 1966.

The White Christmas racial group . . . did our meally-mouthed, snivelling, servile, brainwashed church leaders — the Cardinals and Bishops abandon our race — have these Jewized, sickening church leaders emasculated the White people and rendered them helpless?"

"The Thunderbolt" is self-described as the "official White Racial organ of the National States Rights Party" and will be referred to later in this report as the paper.

A characterization of the National States Rights Party (NSRP) is attached hereto in the appendix of this report.

ORGANIZATIONAL STRUCTURE

A. Headquarters

Issue #69, page 8, of "The Thunderbolt", dated July, 1965, reflects that the NSRP National Executive Committee had decided to move the national headquarters and "The Thunderbolt" from Birmingham, Alabama, to Augusta, Georgia, with the new address as Post Office Box 184, Augusta, Georgia.

On December 1, 1965, SV T-1 advised that the NSRP headquarters is located in Rooms 204-206 of the Marion Building, Broad Street, Augusta, Georgia. This source reported that [] and two women usually work in the office. [] He reported that J. B. STONER, an attorney with the NSRP, had his name added to the Marion Building bulletin board on October 27, 1965.

[] Boston, Massachusetts, who was a member of the Communist Party from [] and who has furnished reliable information to the FBI in the past, advised on September 7, 1965, he had visited the NSRP headquarters, Augusta, Georgia, in [] and learned the NSRP has a mailing list of about 8,000 names and a membership of about 1,000. [] told him the reason for the NSRP moving to Augusta, Georgia, was that the office in Augusta was less expensive than the office in Birmingham, Alabama, that the Birmingham office was a target for fire bombs and gunshots without police protection and that the Birmingham office had become a flop house for party tramps who did no work.

B. Charter Information

On November 26, 1957, SV T-2 advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26,

SV 157-871

1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race~~ing~~ mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, SV T-3 advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69 of "The Thunderbolt", dated July, 1965, announced the new address of the headquarters of NSRP as Post Office Box 184, Augusta, Georgia.

On

SV T-4 advised that

Issue No. 72 of "The Thunderbolt" dated November, 1965, reflects that Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as editor of "The Thunderbolt"

C. Objectives

Issue #73, page 8 of "The Thunderbolt", dated January, 1966, reflects that copies of NSRP Constitution and By-laws have been re-published and is being mailed to all party members. The article states the booklet is available only to members in good standing.

SV 157-871

On January 12, 1966, SV T-1 made available a copy of the Constitution and By-laws of the NSRP as revised and adopted at the last convention. The Preamble appearing on page 1 is as follows:

"We of the National States Rights Party believe in our Lord Jesus Christ and the Christian heritage of our people. We believe in the great White race and the necessity for the preservation of our race and the Nation which the Whiteman created out of the wilderness of this continent. We believe in the principles laid down by our forefathers in the United States Constitution and in the Bill of Rights contained therein. We believe in preserving the Race of our forefathers which built civilizations out of jungles and which gave art, culture, inventions, freedom and justice to the entire world. We will not allow the blood of our people to be polluted with that of black, yellow, jewish or mongrel peoples. We know that only the pure White Race can preserve this Nation and the freedom handed down to us by our ancestors. All that is patriotic, good, clean and decent springs forth from the foundations of our White folk. These high standards of living do not, and cannot, exist in the non-White backward areas of the world, except where the Whiteman maintains a foothold of control. Therefore, we dedicate our lives and fortunes to the expansion and goals of the National States Rights Party. We feel that only through a political movement can we unite our people and bring the government back into the hands of the White Christian majority.

"We dedicate ourselves to the task of saving America, and the White race and the preservation of the pure blood of our forefathers, so that all future generations which come after us will be born as White children with a creative intelligence that will strengthen our civilized influence over the world for the good of all mankind. Therefore, we join together for these honorable purposes as outlined in this Constitution and By-laws of the National States Rights Party.

"We struggle for ---- Christ, Race, Nation!"

SV 157-871

The last page of the Constitution and By-laws contains the following:

"OUR AMERICAN DESTINY

"It is our American Destiny to bring about the unity of the Whiteman's World. The life-or-death threat of aroused non-whites affords the challenge which will close the ranks of the Whiteman's World.

"In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia must know that we are with him. The Whiteman of South Africa must know that his destiny is a part of our destiny.

"Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological organism, ever-expanding by procreation.

"HONOR, ... SAVE

"PRIDE, THE

"FIGHT WHITE

"If our buildings, our highways, and our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect newer and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our Whitefolk should become corrupted and mingled with the blood of non-Whites, then the present greatness of our Nation would be gone forever. The maintenance of our American civilization would be as impossible for a non-White America as would the redemption and restoration of the Whiteman's blood which has been mixed with that of the non-White.

SV 157-871

On January 21, 1966, SV T-23 made available a "Personal Newsletter" entitled "Year of Decision, 1966 Elections--Now or Never" over the signature of Dr. EDWARD R. FIELDS, which was mailed attached to the January, 1966 issue of "The Thunderbolt". Page 4 of this letter states, "Large sums of money will be needed every month to: 1) Wage our election campaigns. 2) Hold mass rallies and marches. 3) Membership organizational drives. 4) Fight legal battles in the courts. 5) Publish our monthly newspaper. 6) Plus new books and literature. 7) Besides all this we desperately need to hire at least three new full time workers at the Party Headquarters. 8) Also, we need money to add at least two more rooms to our suite here in the Marion Building.

"The Party must have a steady monthly flow of regular contributions if we are going to meet all the expenses involved in all of our endeavors. Our financial responsibility is so great, that if our funds were cut off for one single month the Party would cease to exist. We must be able to plan all of the above listed projects each month. For this reason we must have some approximate idea of how much money will be on hand for this work each month.

"That is why the NSRP Pledge Cards have been issued in the past---".

The Newsletter urges supporters to make pledges so the party may make plans accordingly. It points out that most of the NSRP supporters are average middle-class folks. The hope was that some could pledge as much as \$100.00 per month, but realized that the majority could only pledge \$50, \$25, \$10 or less monthly. Attached to the letter was a form addressed to the NSRP for making a contribution and/or a pledge.

An accompanying article states the "NSRP does not recognize the anti-white civil rights law; it is unconstitutional, no matter what the Supreme Court might say." "The NSRP is positively against the placing of black people in the same schools with our impressionable little white children."

In an editorial by Dr. EDWARD R. FIELDS appearing in Issue #70 of the paper, September, 1965, FIELDS states "LYNDON JOHNSON is guilty of inviting tens of thousands of Negroes to revolt against lawful white authorities in Los Angeles."

UNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN, (UKA)

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, The Alston Building, Tuscaloosa, Alabama. The organization is directed by Robert Shelton, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as United Klans of America, Inc., Knights of the Ku Klux Klan. The second source said the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.
